Dear Sotirio

Thank you for making my stay in South Africa so enjoyable. You were always punctual, kind and courteous. I enjoyed the conversations we had as you are so knowledgeable about your country

Throughout the time we spent together you were always interesting to talk to. I could always rely on you.

I have no hesitation at all in thoroughly recommending you as a Guide to anyone who wants to visit South Africa and learn about the country

May you continue to prosper.

Yours sincerely

Pab Chetty
